

Robert Din Isoball Christie

Dysart. Fr 482.

10 June 1644

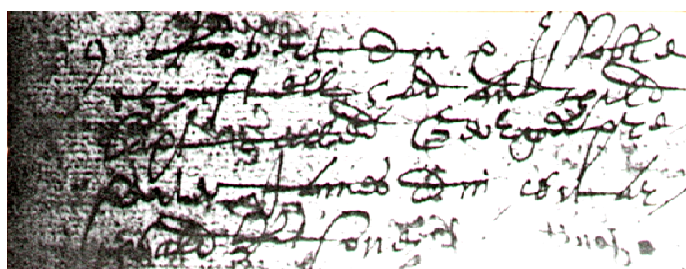

March 1644

Maryt 10 June - 29 Robert Din Issoble Cristie contractit.

This appears to show the date of marriage in a narrower left-hand column and the calling of banns on the 29 March in the rest of the page.

Dysart FR333

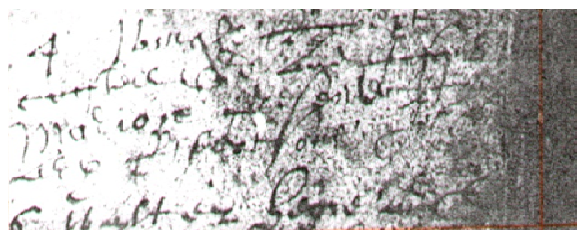

19 February 1647

Robert Din & Issoble
Christell had ane child
Bap^t called George pre-
sented James Din wit Ar-
chibald Ro'sone

Dysart FR 342

4 March 1649

4 Umquhile Robert Din &
Cristelle had ane infant bap^t
Marion presented by
Arch Robertson.

Robert must have died between May/June 1648 and March 1649.

Dysart: OPR films also have records of deaths for some periods. They are, however, difficult to read, as well as showing damage in many places. The year prior to the birth of Marion Din, when Robert Din died (i.e. 1648-49) is not among the years for which death records exist.
