

notes15(1)James Forrester = Anna Forrester

OPR Stirling Fr 320

12th September 1687

Father James Forrester Younger of Logie, Advocate.

Mother Anna Forrester.

Child James.

Witnesses

Mr. Ja Forrester of Logie, Hugh Kennedy Provost and four others.

In the above record it seems that

1. James Forrester, father, was the g-grandson of Sir Alexander Forrester 5th of Garden and who after his marriage apparently styles himself “James Forrester, Younger of Logie” and
2. Mr Ja Forrester, witness, is probably James Forrester 6th of Logie the father of Anna Forrester.

The families of James and Anna merge at Sir Walter Forrester 2nd of Garden which makes them 6th cousins.
